A photograph of a modern interior. On the left, a tall wooden cabinet with vertical slats and two small drawers stands against a light-colored wall. On top of the cabinet is a white vase containing a large green plant with broad, ribbed leaves. To the right of the cabinet is a wooden chair with a simple, functional design, featuring a woven seat and a curved backrest. The floor is made of large, light-colored square tiles. The lighting is soft and even, highlighting the textures of the wood and the plant.

Sadaf Collection is a reliable company in the field of producing top quality flooring.

With years of experience in the carpet and flooring industry, this brand has been able to provide durable and beautiful products using quality materials and modern technologies.
